Message

I am delighted to know that Eastern University is going to hold its 5th Convocation in a befitting manner. On this auspicious occasion, I would like to congratulate the graduating students, their parents, erudite faculty and the university authority as well on their collective endeavour.

Convocation is a landmark ceremony of a university, which formally confers degrees upon the graduating students and provides the opportunity for evaluating the overall activities of the institution. Nowadays, quality education is of the essence to face the global challenges and build a knowledge-based society. I believe that universities, both private and public, would impart state-of-the-art education to their students in line with the national and international need. I urge the graduating students of Eastern University to serve the nation through acquired knowledge imbued with the sense of patriotism and dedication.

Bangladesh is now marching towards the path of constant growth and development despite global slowdown over the years. The Government of Bangladesh, under the able leadership of Prime Minister Sheikh Hasina, has set Vision 2021 and Vision 2041 with a view to transforming Bangladesh into a middle-income country and a prosperous one by the stipulated time. I urge all including the graduating students to render dedicated services for materializing the Visions which are undertaken to build *Sonar Bangla* as dreamt by Father of the Nation Bangabandhu Sheikh Mujibur Rahman.

I wish the 5th Convocation of Eastern University a grand success.

Khoda Hafez, May Bangladesh Live Forever.

Message

I am happy to know that Eastern University is going to hold its 5th Convocation on 12 March 2017 in Dhaka. On this occasion, I would like to congratulate the graduating students, their parents, faculty members and the university authority.

Awami League government has given utmost priority on higher education to facilitate country's socio-economic development. In this regard, we adopted a modern, scientific and time-befitting Education Policy to ensure quality education. We enacted Private University Act-2010 to boost up higher education facilities. Since 2009, the government established 8 public universities and gave permission to set up and operate 42 private universities. Private universities have become an integral part of our government's endeavours to build a knowledge-based society.

I hope that the universities will keep providing financial support in the form of scholarships and tuition waivers to the students, especially females and children of minority communities and of freedom fighters of our Liberation War in 1971.

I believe that the graduating students of Eastern University will play a vital role in building a 'Sonar Bangla' as dreamt by the greatest Bangalee of all time, Father of the Nation Bangabandhu Sheikh Mujibur Rahman.

I wish the 5th Convocation of Eastern University a complete success.

Message

I am delighted to learn about the 5th Convocation Ceremony of Eastern University and I render my heartfelt congratulations to the graduating students and their proud parents and the University family members on this auspicious occasion.

After academic studies, students are to translate their knowledge into practical implementation to face the reality of life. I hope they would be sincere and devoted to their respective pursuits in life and would be in the frontline of the development and progress of Bangladesh.

Convocation of a university is a weathervane of its continuous success and achievement. I hope this Convocation will go a long way in placing Eastern University on the top echelons of the higher education in Bangladesh.

I wish Eastern University further success.

Message

It gives me an immense pleasure to know that Eastern University is going to hold its 5th Convocation on March 12, 2017. On this auspicious occasion, I would like to extend my heartiest congratulations and felicitations to the graduating students, their proud guardians, the faculty members and university administration.

At present private universities are making substantial contributions to infuse knowledge and skills to the graduating students who, in turn, are advancing the economic and social development of the country. However, education without quality, mission, vision and sound objectives is just an instrument of personal gratification. I believe that Eastern University is well aware of this and moving in the right direction to produce skilled and accomplished manpower by imparting quality education since its inception.

Once again, I congratulate the graduating students for their achievements and wish the Convocation a success.

Message

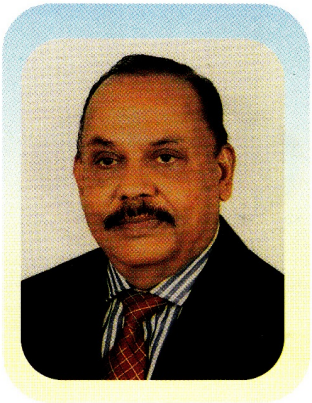

It is my pleasure to see Eastern University is holding its 5th Convocation on March 12, 2017. On this occasion, I convey my felicitations to the graduating students and their parents.

The role of private universities in spreading higher education in Bangladesh is noteworthy. With a few exceptions, private universities have earned reputations and appreciation from the public as well as from the private sector. I extend my congratulations and appreciation to all members of Eastern University family for their commitment, dedication and hard work in maintaining quality and standards of education. I hope Eastern University will continue doing well and contribute much in the socio economic development of Bangladesh by producing competent graduates.

I wish the convocation a grant success.

Message

It is our Aptitude coupled with our Attitude that has enabled us today to reach this Altitude.

I am grateful to Almighty Allah, thankful to our respected members of the Board of Trustees, esteemed faculty members and dedicated students whose hard work went hand in hand to achieve this milestone of holding our 5th convocation on March 12th, 2017.

Character is destiny. Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, ambition inspired and success achieved. At Eastern University, since its inception in 2003, we have been trying to set up our curricula and extracurricular activities in such a way, that every student who joins us as a freshman gets to identify their talents and potentials. We help them to develop their personality and frame themselves to grow up everyday knowing that success is a dividend of sweat. The more you sweat the more successful you become!

Challenges are what make life interesting and overcoming them is what makes life meaningful. I express my gratitude to the respectable parents of all our students who have not only shared a good portion of their hard earned money with us but have also given us the immense opportunity to educate the greatest assets of their lives – their children. I hope, we at Eastern University, have been able to keep our promise to nurture your children with education, morals, values and character.

It is now my turn to congratulate the graduates and my advice to you is: it is not enough to aim, you must achieve!

May Allah bless our nation with prosperity and bless us all.

Message

It is a matter of great pleasure that Eastern University is holding its 5th convocation on March 12, 2017 and that 1901 students are graduating in this convocation. For the graduates, convocation is an event of recognition of their academic achievement and a day of celebration for their success. The students are joyous as they have realized their dreams. Let me, therefore, congratulate the graduates on this festive occasion.

For the University, convocation is a mark of meeting its commitment to the students and guiding them to reach the goal of their academic pursuit. On this day, the University feels proud to have met its obligations to its students. The parents, family, friends and the community feel happy and share the joy of the event with the graduates. I am confident that all present in the convocation will enjoy every moment and I wish them all a "Happy Convocation."

The Convocation is also known as a commencement in the USA and Canada as the graduates enter into a new stage of life and start pursuing a career or profession. So the graduates should understand the challenges that they are going to face in the days ahead in building up their career and life. They should meet the challenge with tact and courage. For this, they need to learn continuously to deal with ever changing work environment. Above all, they must build themselves up as ethical and good members of the society and the country.

We express our humble gratitude to the Honorable Chancellor for giving us his kind consent to hold the Convocation. We are grateful to Mr. Nurul Islam Nahid, the Honorable Minister of Education and the Chief Guest of the Convocation for sparing his scarce and valuable time for inspiring the graduates and all of us. Eastern University is indebted to Eastern University Foundation for setting up the University. The Chairman and the Members of the Board of Trustees deserve special thanks for their unstinted support to academic and administrative matters. Thanks are due to the members of Syndicate, Academic Council and other statutory committees of Eastern University.

I must thank the Deans, Advisors, Chairpersons, Coordinators and the faculty members for they are the ones who have given their best efforts and care to help the students learn and to attain success. The Registrar, Controller of Examinations, officers, executives and the staff in their individual capacities have put in a lot of hard work to provide the services which the graduating students and the faculty needed in the teaching-learning process and to organize the Convocation. My sincere thanks go to all of them. Dr. Abdul Hannan Chowdhury, Pro Vice Chancellor, deserves special thanks for his relentless effort in organizing the convocation. I must also mention with thanks the name of the Chairman of the Board of Trustees, Mr. Mohammad Azizul Islam, for the inspiring leadership he provided to all members of the Eastern University family.

May Allah grant our graduates success in life and peace for all of us.

It gives me immense pleasure that Eastern University (EU) is going to embrace its 5th convocation on 12th March 2017. I extend my heartiest congratulations and felicitations to all the graduating students, their parents and guardians, the EU faculty members, the EU administration and wish the graduates every success in life. I must also thank the Chairman and the honorable members of the EU Board of Trustees for their support to hold this grand event.

I express my profound gratitude and thank to the honorable Chancellor of the University, the Prime Minister's office, the Ministry of Education and the University Grants Commission and others for their constant support for this convocation. I am particularly grateful to our most respected and committed politician Mr. Nurul Islam Nahid, MP, Education Minister, Ministry of Education, without his support and understanding we could not have organized this convocation. We are indebted to him for his active and dynamic leadership role in promoting education in the country.

Graduation is a big accomplishment in any student's life. It is a time to celebrate with friends and family, a time to reflect and a time to foresee the future. I hope the skills and knowledge they have gained as graduates will serve them well in future endeavor. I encourage them to keep exploring, creating, and achieving although one significant stage of their formal education is over. Convocation is the most auspicious occasion for the graduating students and I wish them the very best of luck.

I must acknowledge the commitment, the dedication and the hard work with which the respected Vice Chancellor, Deans, the Faculty members, the Registrar and his staff, the controller of examinations, other officials and staff cooperated for the success of the Convocation.

I wish all the success of the 5th convocation of Eastern University.

Message

His Excellency Benoît-Pierre Laramée, High Commissioner of Canada

It is an honour for me to address the graduating students at the Eastern University's 5th Convocation.

Today you are crossing an important step of your life in the continuous learning process as the education you have received will be the key to unlocking the world, a passport to freedom. You will now experience that an enormous number of opportunities are waiting for you as you pursue your dreams.

I believe your time at this institution has sharpened your ability to think critically and learn, and to stand as an individual to take the necessary actions to achieve your goals.

As you head off to work, to undertake further studies or wherever your path may take you, I wish you good luck. Learning is a continuous process and you will continue learning throughout your entire life. You are the future leaders of this country and stand as the torch bearers for positive change. I believe if you use your creativity, your innovation and your knowledge, success will always be on your side. Challenges will be there, but learning from your mistakes and improvisation will help you to face anything that may cross your paths.

Canada encourages international students to apply to Canadian institutions for higher level studies. Canada is a global leader in quality education and the destination of choice for students, researchers, innovators and entrepreneurs seeking a world of possibilities.

Congratulations to each of you. You should be proud of your accomplishments today as your hard work and dedication brought you to this moment. I wish you all, success in your life.

Profile of the Convocation Speaker

His Excellency Benoît-Pierre Laramée, High Commissioner of Canada

Benoît-Pierre Laramée (BSc [Geological Engineering], Polytechnique Montréal, 1979; DESS [Energy Sector Management], HEC Montréal, 1988; MSc [Project Management], University of Quebec at Montréal, 1990) joined the City of Montréal after nearly 10 years working as a geophysicist in Canada and Senegal.

In 1996, at the Centre for International Studies and Cooperation, he was appointed regional director for Guinea and two years later was assigned to Bamako, where he served as regional director for West Africa until 2000. From 2000 to 2004, Mr. Laramée worked with the Canadian International Development Agency (CIDA) in Port-au-Prince, Haiti, where he held two director positions. In 2004, he returned to Ottawa to become manager of CIDA's Results-Based Management Unit, a position he held until 2007, at which time he was appointed senior departmental assistant to the minister. From 2008 to 2011, he was director of CIDA's Inter-American Regional Program. Most recently, he was high commissioner in Cameroon, with concurrent accreditation to the Central African Republic and Gabon. He and his spouse, Christiane Giroux, have two sons, Christophe and Pierre-Guillaume.

Address of Welcome

Mr. Nurul Islam Nahid, M.P., Hon'ble Minister, Ministry of Education,
Special Guest, Prof. Abdul Mannan, Chairman, University Grants Commission of Bangladesh
His Excellency Benoît-Pierre Laramée, High Commissioner of Canada to Bangladesh, and Convocation Speaker,
Hon'ble Members of the Eastern University Foundation
Mr. Md. Azizul Islam, Hon'ble Chairman, Board of Trustees, Eastern University,
Hon'ble Members of the Board of Trustees, Eastern University
Excellencies, Respected Vice Chancellors, Deans and Professors of the Universities present in the occasion,
Distinguished invitees, faculty members, proud parents and guardians, my dear graduating students,
Ladies and Gentlemen
Assalamu Alaikum and a very good morning

Today is the day of 5th Convocation of Eastern University, a day that is most remarkable and a milestone in the life of every student. Our 4th Convocation was held on the 9th February 2015. I whole-heartedly express my gratitude to Almighty Allah for being able to hold this 5th Convocation within two years and I feel it is an honor and a great privilege for me to welcome you all to this ceremony. For every mortarboard cap, with hood and gown in this hall, there is a story. Stories of success and a host of experiences and events at this University; the ones that have finally brought about a happy ending in wearing your convocation gowns and waiting in anticipation to finally receive the recognition that you really deserve.

This grand ceremony is being held in the month of March which is of great significance in the lives of the people of Bangladesh. It is in this month that we got our independence under the great leadership of Bangabandu Sheikh Mujibur Rahman. I show my solemn respect to those valiant souls whose struggle brought us independence and sovereignty. Our independence opened the doors for unlimited opportunities for all of us to take part in building the 'Sonar Bangla' as dreamt by the Father of the Nation. We, at Eastern University, have been trying to be a part of this struggle by imparting quality higher education.

I express my gratitude to the Honorable Chancellor and his Secretariat, Ministry of Education and the University Grants Commission for their constant support to the Eastern University. I express my sincere gratitude to Mr. Nurul Islam Nahid, M.P., honorable Minister, Ministry of Education, who has been extremely supportive to Eastern University all along and has graced many events of the university with his kind presence. He is present among us to confer degrees to the graduating students of Eastern University on behalf of the Honorable Chancellor of University. We are highly honored by the presence of Prof. Abdul Mannan, Chairman of UGC. I also express my heartfelt gratitude to His Excellency Benoît-Pierre Laramée, High Commissioner of Canada to Bangladesh, for gracing this ceremony as the Convocation Speaker. I thank the Members of the Eastern University Foundation, Chairman and Members of the Board of Trustees, members of the Syndicate, Academic Council, Conveners and Members of different Committees of the University for their persistent effort in making this ceremony a grand success.

I congratulate the graduates for being successful in their academic programs to earn a degree. I also congratulate all the teachers whose all round efforts and perseverance enable the students to get the formal acknowledgement of their academic education and qualification. The parents and guardians of students deserve special thanks for providing support to their wards.

Ladies and Gentlemen,
The vision of Eastern University is to be a globally recognized university in its chosen fields of higher education and research in terms of quality. The mission of the University is to equip the students with knowledge and skills essential for leadership in private and public sector in the increasingly competitive and globalized environment.

Eastern University is widely known for its quality education, superior faculty composition, excellent academic environment, sincere care for students, extensive co and extra- curricular activities, successful internship and job placement, modern digitalized library, extensive national and international networks in the academia, good governance and administration and convenient location of the campus.

Eastern University, although small in number of students, has already earned its nationwide reputation since this University has never compromised with the quality of education. Just a few weeks back, Eastern University Mooting Team has become Champion in the Bangladesh National Round of Philip C. Jessup International Moot Court Competition defeating the

University of Dhaka and has qualified for participation in the international round to be held in Washington, the United States of America. To ensure quality higher education and increase the standard perpetually, Institutional Quality Assurance Cell under HEQEP of UGC has already been established and is working relentlessly under the guidance of UGC and the Vice Chancellor. A Strategic Plan has been devised to lead the university towards fulfilling its mission. The Permanent Campus of Eastern University at Ashulia is under construction on 20 bighas of land where hostel facilities for students, play ground, modern library, engineering labs, gymnasium, and other modern amenities will be provided. Recruitment of qualified and highly resourceful faculty members, updating the academic curricula on a regular basis in the context of global necessities, involvement of students in various extra and co-curricular activities are some of the key components of the plan.

Since the inception of the University in 2003, more than 6,000 students have graduated and today more than 1900 students are getting their degrees. Eastern University graduates are employed in prestigious organizations or have become entrepreneurs and professionals.

The term 'University' has a close connection with the idea of Globalization. To make our students face the challenges of the 21st century and to prepare them to be the leaders of the next generation, Eastern University has already signed MOU with more than 20 internationally renowned universities in the USA, Europe, Australia, New Zealand, China and Malaysia. Under these agreements, student-teacher exchange, joint research project, and faculty development training are being organized frequently. Some of our students are currently pursuing their higher studies in these universities and proving their worth with excellent academic performance. Chinese Language Course, Social Business Course and Training Course on Print & Broadcast Journalism have been introduced in Eastern University.

To encourage the youth to excel in their education, Eastern University regularly organizes Math Olympiad, Youth Convention, Reception of GPA-5 holders in HSC examinations and Scholarship Awards to meritorious students.

My dear graduates,
Convocation is not just a ceremony which solely intends to confer degrees. Its objective is multi-faceted and far-reaching. Graduation is only the beginning of your dreams coming true. This is the moment when you extend their hand towards the future with the knowledge, skill and leadership ability earned in the University. This is the moment that accelerates your confidence to go further overcoming all the challenges. You should become committed to render your utmost services for the betterment of your families, society and the nation as a whole.

Question arises, how you, the graduates, can reach your goal and fulfill your commitment? Of course, your education will guide you. But, it must be kept in mind that application of education is important but not all. In the present world, more emphasis is being given on the application of education and less on values. When education is used as a tool to attain personal gain only, it brings disaster to the society and to the world. The application of education must be universal and aimed at the betterment of humanity.

The spirit of our great Liberation War was to establish a society without discrimination and corruption but economically self-reliant nation. Literacy rate has increased to a great extent and number of highly educated people has also increased in our country. These are positive indicators of sustainable development. Yet, we have to go a long way to ensure the achievement of the goals for which over three million martyrs sacrificed their lives in 1971.

Eastern University boasts of delivering quality education with morality. A course on Values and Ethics has been made compulsory for all undergraduate students of Eastern University to shape the young minds to be the ethical leaders of tomorrow. But, along with the teachers, the guardians must also come forward in this regard. I hope, as the brand ambassadors of Eastern University, you will follow the ethical and moral path in your lives and leave footprints of excellence with morality, wherever you may go.

Finally, I whole-heartedly thank all members of the Board of Trustees, Pro-Vice Chancellor, Treasurer, Registrar, Deans of Faculties, Chairpersons of Departments, all the teachers, administrative officers, and all those who worked relentlessly, for without their concerted effort, this Convocation could not be held successfully.

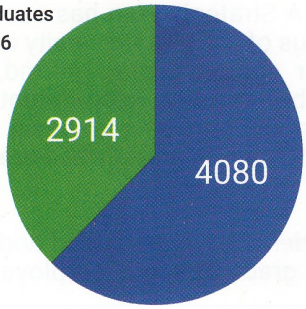

Ladies and gentlemen

Thank you all being here to encourage us.
Allah Hafez

Eastern University at a Glance

History, Vision and Mission

Committed to an ideal of "quality higher education at an affordable cost", a group of educational philanthropists comprising academics, industrialists, engineers and retired civil servants established Eastern University in 2003. The vision of Eastern University is to be a globally recognized university in its chosen fields of higher education and research in terms of quality. The mission of the University is to equip the students with knowledge and skills essential for leadership in private and public sector in the increasingly competitive and globalized environment. Its goal is to be one of the top five private universities by 2020.

Hon'ble Speaker with BoT Members on 13th Foundation Day of EU

Eastern University is widely known for its quality education, superior faculty composition, excellent academic environment, sincere care for students, extensive co and extra- curricular activities, successful internship and job placement, modern digital library, good governance and administration and convenient location of the campus.

More than 6000 students have graduated from the university by 2014 and about 1500 students are now graduating annually.

Governance and Administration

His Excellency the President of Bangladesh is the Chancellor of Eastern University as per the Private University Act of 2010. The governance of the University is vested with a 21 member Board of Trustees(BOT)comprising 20 members drawn from the Eastern University Foundation and the Vice Chancellor as an ex-officio member. The Board is chaired by the Chairman of the Board elected by the Foundation. The Board is assisted by the Syndicate, Academic Council, Finance Committee, Faculty Selection Committee, Staff Selection Committee and Institutional Quality Assurance Committee. The administration consists of the Vice Chancellor, Pro-Vice Chancellor, Treasurer, Registrar and Controller of Examinations.

Curricula, Students and Faculty

The meticulously designed curricula of the academic programs combine and balance the broad-based and the in-depth learning, and emphasize "knowing, doing and being" of the students. The Curricula are of international standard and are upgraded and updated regularly to make it relevant to the advancement of the discipline and the future job and professional requirements of the students. The teaching-learning methods used are participative, interactive, experiential, learner-centered and hands-on practice depending upon the nature of the course being taught.

The students are carefully selected for admission on the basis of their excellent academic record, high aptitude and strong motivation to learn. They are transformed into knowledgeable, skilled and globally oriented human resources by the caring and committed faculty members of the University. They are groomed to be leaders, value-driven and socially responsive citizens through a variety of co-curricular and extra- curricular programs. The university has at present international students from SAARC countries and Africa. The university has plans to attract students from other countries also.

Eastern University hires top-of-the class, talented graduates of highly reputed universities from home and abroad as junior faculty, experienced teachers and researchers as senior faculty and well known academics as part time faculty. In addition, the University appoints accomplished professionals and practitioners as adjunct faculty and invites university teachers from abroad as Visiting Faculty. The faculty members are chosen on the basis of their scholarly achievement, knack for research and commitment in teaching. The Faculty Development Program of the University trains junior faculty in pedagogy, research methods and in specific disciplines they teach.

Faculties and Programs

The University has at present four faculties: Faculty of Arts, Faculty of Business Administration, Faculty of Engineering and Technology and Faculty of Law. Faculty of Science and Faculty of Social Science will be added soon.

Faculty of Arts

The Faculty of Arts offers a four year B.A. (Hons.) in English, a one-year M.A. in ELL (English Language and Literature),a one-year M. A. in ELT (English Language Teaching) and a two-year M.A. in ELT.The Programs follow a needs-based multi syllabus approach combining well-balanced language and literature courses in order to cater to the job needs of its graduates. A well- earned degree in English opens innumerable job opportunities at home and abroad.

Faculty of Business Administration

The Faculty of Business Administration (FBA) delivers innovative and world class leadership education in business. Its highly qualified faculty members with extensive research experience and international exposure provide tailor-made support to enable learning and development of the student groups to become professional managers as well as good human beings.

FBA offers a four-years Bachelor of Business Administration (BBA), a two-years Master of Business Administration (MBA), and a one year Executive Master of Business Administration (EMBA) Programs. Graduates of FBA are readily employed and are occupying leading positions in major local and multi-national companies providing excellent leadership as well as value addition to the society.

Faculty of Engineering & Technology

The Faculty of Engineering & Technology (E&T) offers four years B.Sc. Programs in Electrical & Electronic Engineering (EEE), Electronics & Telecommunication Engineering (ETE) and Computer Science & Engineering (CSE). It also offers a one year Master of Computer Science program.

The Faculty attracts talented and outstanding faculty members with foreign degrees to nurture young students in various fields of engineering and technology. Its Laboratories, furnished with state-of-the-art equipment and software programs, provide an excellent learning environment The Faculty is committed to ensuring quality education with a team of talented, dedicated and cordial faculty members as mentors of the students.

Faculty of Law

The Faculty of Law of Eastern University is the premier law school among the private universities of the country. It has always attracted the best legal minds academically and ideologically, thereby creating an inspirational centre of exchanging ideas. The Faculty offers a four-years LL.B (Honours) and a one year LL.M Program. It is a public-spirited faculty that makes distinctive contributions to society in learning, teaching and engagement. EU's law curricula reflect the changing requirement of the legal profession. Students are given extensive training in various forms of Legal Drafting and Trial Advocacy in the Moot Court Room. Recently the EU Moot Court Team won the championship in the Henry Dunant Moot Court Competition at the national level and the team will participate in the C. Jessup International Law Moot Court Competition, 2017 in Washington, DC. In April 2017.

International Collaboration

Eastern University has academic partnership with over 20 universities in UK, USA, Australia, New Zealand, Finland, Malaysia and few other countries. Eastern University students can pursue higher studies by credit transfer to these and other universities abroad. The Faculty of Business Administration (FBA) has credit transfer arrangements for undergraduate program with several universities in UK, USA and Malaysia for 2 years study at EU and 2 years study in the selected foreign university earning degree of the foreign university and even double degree. Credit transfer facility also exists for Masters program.

Opportunity for Study Abroad

Because of international standard curricula, the courses, credits and degree of Eastern University are readily accepted by universities in USA, Europe, Australia and other countries and many EU students are studying abroad in Bachelors, Masters and Ph.D Programs with credit transfer and degree acceptance.

Under a collaboration agreement, two students of the FBA are pursuing study in Master in Finance with scholarship in Yunan University of Finance and Economics in Kunming, China. From now on, two students will attend the program every year. Similar opportunities are being explored for students of other faculties also.

A faculty member of EU is attended a one year Chinese language course and another faculty member will attend a Master in International Trade course on scholarship in Yunan Normal University in Kunming. The Vice Chancellor and Pro Vice Chancellor of EU are visiting professors of the same university . Under student exchange program, a group of EU students visited Kunming on study tour on invitation from Yunan Open University. A group of students for study tour from Kunming are expected to visit EU soon. Similar study tours will take place on a regular basis. Under a collaboration agreement, 20 undergraduate students of Eastern University will complete their final two years of study with scholarships and earn the degree from Hangzhou Hangzhou University of China.

Centres and Cells

The University has four specialized centres and two cells: Centre for Modern Languages, Centre for Research and Development, Centre for Innovation and Incubation, Centre for Faculty and Staff Development, General Education Cell and Institutional Quality Assurance Cell (IQAC).

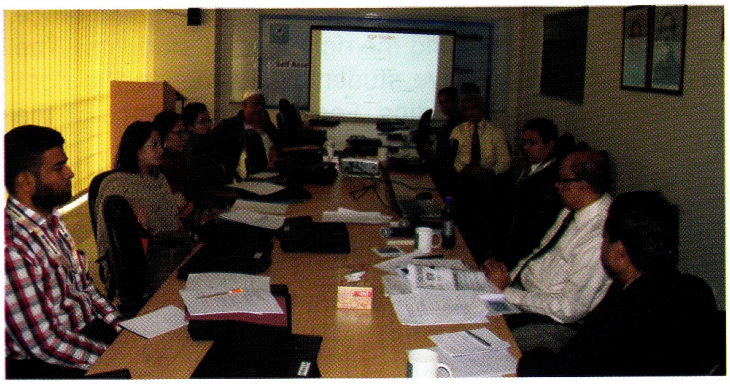

The Centre for Modern Languages at present offers certificate and short courses on Chinese. A Chinese Language teacher on deputation under a collaboration agreement with Yunnan Open University in Kunming, China, is teaching the courses at EU. The launching of a Certificate course on Japanese is in process. Few other language courses will be added soon.

The Centre for Research and Development (CRD) allocates research funds, procures and monitors research projects and consultancy projects, and organizes research seminars and training on research methodology. It publishes a bi-annual research journal, namely, The Eastern University Journal.

The Centre for Innovation and Incubation encourages students and faculty to come out with innovative ideas of products, designs or process, experiment and test them in the centre and continue development of the potential ones to the final stage and commercialization, if feasible.

The Centre for Faculty and Staff Development offers courses, workshops, seminars and conference for continuous skill development of faculty members in teaching-learning and of officers and executives in administrative tasks. The Centre also conducts research for innovation and improvement in teaching-learning and administrative process.

The General Education Cell aims at providing liberal arts education to all undergraduate students of the university. It offers, organizes and coordinates general education courses in the area of language, arts, humanities, science and social science.

Workshop on Experience sharing of AIT training on Quality Assurance"

The Institutional Quality Assurance Cell (IQAC) sets quality standards, monitors and controls the quality of teaching–learning and all aspects of academic matters and support services. The Cell is under the direct supervision of the Vice Chancellor and reports to the Academic Council. The IQAC is managed by its Director with assistance of the Associate Director and administrative and IT professionals. Recently, the Cell has received a grant of Tk. 75.50 lakh from World Bank supported Higher Education Quality Enhancement Project (HEQEP) of Bangladesh University Grants Commission.

Campus, Facilities and Services

Campus

The present campus consisting of four large buildings is located in Dhanmondi which is easily accessible from all parts and outskirts of Dhaka city. Just at a distance of three minutes walk from the campus is the scenic lake and refreshing park of Dhanmondi where students can stroll and relax. The spacious class rooms, well equipped labs and several seminar and conference rooms provide necessary support to the leaching-learning of the students. A huge campus on sprawling lush green is under construction in the University Zone in Ashuila – just 5minutes drive from Ashlia Bridge of Mirpur Embankment Road. It has been lavishly designed to provide enough facilities for academic programs, library, administration, auditorium, common services, students and faculty residence, indoor and outdoor games and sports in sprawling natural environment.

Hostel for Students

The University has arrangement of a female hostel located nearby the campus. Similar hostel accommodation is available for male students also. Full- fledged and comfortable hostel facilities will be available for all students in the University campus under construction in Ashlia.

Library

EU has a fully automated and web-based digital library which is developed by Koha ILS, DSpace DIR, and Drupal CMS. The library has about 15800 books of 5152 titles, 1687 journals and 815 audio-visual materials. Access and download facilities of 35000 online journals, 15000 eBooks and 4000000 e-Theses are available. The Library provides remote access facility for subscribed e-resources through MyAthens. To avoid academic misconduct and confirm the originality of research work, the library subscribes Turnitin plagiarism checker. Besides, Grammarly grammar checker, Spin Rewriter paraphrasing tool, Zotero citation & reference manager, and SPSS are available here to help academic research. The Library remains open seven days in a week from 9:00 am to 9:00 pm.

Admission Office

The University is committed to preparing its students as professionals by exploring and promoting their creativity, infusing knowledge, developing their skills and forming proactive attitude. Admission office plays an important role in fulfilling this goal by recruiting and selecting the right kind of students. The trained counselors of the office provide guidance to the prospective students in selecting the right academic program, financial advice and accommodation and living tips. For the convenience of the prospective students, the Admission Office remains open on weekends and holidays.

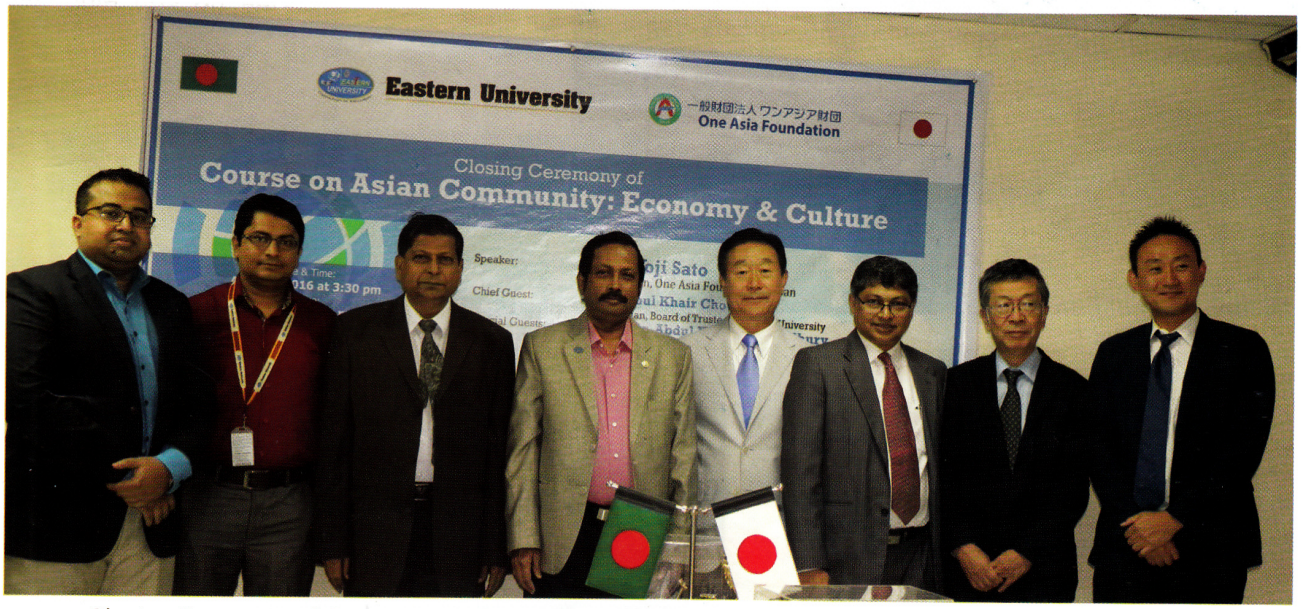

Admission Open House

Clubs and Forums

The University has 17 different clubs and forums for students to pursue their academic, social, cultural, athletic & other interests. The Office of Students Affairs (OSA) organizes Co-curricular & Extra-curricular activities of the students through clubs and forums. By participating in these clubs and forums, students can enhance their interpersonal, social and leadership skills. All EU students are encouraged to enroll in at least one club/ forum of her/his choice. 'Seeds of Leadership' , a ten-day intensive and exclusive workshop for undergraduate students of Eastern University, is designed to be a transformative personal experience to generate innovative thinking and develop leadership skills. Recently, a Cultural Troupe of EU visited and performed in India and won laurels.

Internship and Job placement

Eastern University emphasizes experiential learning and therefore encourages students to do internship, industry attachment or Under-study/probationer and the Career Service and International Office (CSIO) of the University arranges these for the students. Through extensive counseling, the Office guides students that addresses students' immediate career needs, draws the timeline to focus on their goal, helps them to design the career strategies, establishes the bridge among students, alumni, potential employers/ universities for jobs and higher education. It provides entry level career guidelines and aggressively facilitate their employment. There is hardly any unemployed EU graduates. Module 1 of its Career Success Program(CSP) is a short course designed to provide individuals with valuable tips on career awareness, self -assessment, career decision making skills, CV writing, interview facing, office manners and etiquettes etc. The Office offers Module 2 of the CSP for the graduates and alumni for professional development skills and career advancement strategies that will last all through their life.

Closing Ceremony of Course on Asian Community: Economy & Culture by One Asia Foundation, Japan

Academic Collaborations

The University has academic collaboration with over 20 renowned universities and institutions in USA, UK, Finland, Australia, New Zealand, China, Malaysia and Thailand for credit transfer of students with financial support, student exchange, faculty exchange, research collaboration and assistance in setting up new programs. The CSIO provides information and counseling for students who are interested in pursuing higher studies in these or other universities abroad, facilitate their placement in the universities, monitors their progress and problems and help them with suggestions. The Office organizes study tour of the EU and foreign students and facilitates visit of the EU and foreign officials and recruitment of visiting faculty.

Medical Service and Psycho-social Counseling

The Medical Service offers general and emergency medical care to students, faculty and staff free of cost. Under an agreement with Delta Medical College and Hospital, EU members get 30% discount on pathological tests and related services. The Chief Medical Officer serves as a consultant, monitors hygiene aspects in the campus, provides health education of the EU members and oversees maintenance of medical records.

The Psycho-social Counselor offers counseling services to students to cope with stress and anxiety, right decision-making, managing relationships and social problems, developing assertiveness, coping with sexual harassment etc. She monitors mental health of students and staff and educates them for maintaining good mental health.

The Committee on Prevention of sexual harassment investigates thoroughly into the complaintson sexual harassments of any type and recommends punitive measures to be taken against the offender(s) to the Disciplinary Committee.

Fees and Financial Assistance

In pursuance of the commitment of the Founders of the University to provide "higher education at affordable cost," and to open opportunities of education to meritorious students of limited income, the tuition and other fees have been set at a reasonable level. In addition, several types of financial assistance, scholarships and a Student Loan scheme have been provided for. Details of the fees and financial assistance are available on the website of the university (www.easternuni.edi.bd)

EASTERN UNIVERSITY PROFILE

Office of the Registrar

The Office of the Registrar occupies an important role for rendering valuable services to all stakeholders i.e. students, guardians, and all others related with the university. The Registrar's Office is considered as the custodian of the University for its invaluable role and functions to uphold the image of the university as assigned by the Board of Trustees.

The Registrar's Office engages with Eastern University students at every stage of their journey from the moment they join the University. The Office is a mission-critical support unit that materially facilitates the mandate of the University; we identify, nurture, support, and celebrate our mission with our students whom we see as leaders of tomorrow.

Registrar's Office has multidimensional responsibilities towards the university's major constituents--students, faculty, staff, Board of Trustees, and the institution as a whole. The Office is responsible for maintaining the accuracy, integrity, and privacy of student records; for ensuring compliance with Eastern University's policy and higher education regulations; and for facilitating administrative processes for students, faculty, and Eastern University's academic programs.

The Registrar's Office must comply with and ensure conformity with institutional policies and procedures. This is achieved in accordance with the academic policies and procedures laid down by the Private University Act 2010, rules and regulations formulated by the Ministry of Education, University Grants Commission of Bangladesh, the Board of Trustees, the Syndicate and the Academic Council. The Registrar is a Member-Secretary of the Syndicate and the Academic Council, and is responsible for recording minutes of these meetings and ensuring the timely implementation of decisions taken at these meetings. In routine senior management meetings of the University the Registrar plays the key role in reporting both administrative as well as academic management activities and in lending support to policy making. The Registrar's office also provides all kinds of secretarial support to the Vice Chancellor who is the Chairman of the Syndicate as well as the Academic Council.

In addition to its regular duties, the Registrar's office at Eastern University has a number of other functions. These include the Human Resources Management, Information Technology Support, maintenance and updating of Eastern University Automation System and Website, Medical Care, and the Psycho-Social wellbeing of the students, faculty and staff, Engineering, Logistics, Store and Transportation. The Registrar also supervises the works of the construction project of the Permanent Campus – which is progressing speedily and is expected to be completed very soon. Registrar Office organize the National and International Days in a befitting way.

Homage to Language Martyrs, 2017

Human Resources Section

The role of Human Resources Section is to support Eastern University's workforce through a variety of programs and services designed to inspire performance and achievement at the highest level as a part of the University's mission. Generally the work done by the HR unit is as follows:

- Management of HR policies and procedures
- Recruitment, selection, termination, promotion and transfer of staff
- Compensation, benefits, and rewards
- Performance evaluation/management
- Work ethics
- Employee records
- Disciplinary procedures
- Grievance procedures
- Human Resource Planning
- Training and development

The HR Section also supports Faculty and Staff Development to help the university faculty members and staff in their career development endeavors. The two programs - Faculty Development Program and Staff Development Program are appropriately supported by the HR section in providing highly qualified and professional resource persons as well as organizing such programs at Eastern University under the direct supervision of the Registrar.

The HR unit takes active part in the Career Fair, which is routinely held at the University. The aim of HR at this Fair is to create a bridge between prospective employers and Eastern University. Employers have a great opportunity to recruit Eastern University graduates and this has produced very good results. A number of Eastern University graduates have been offered jobs through the Career Fair.

IT Unit

The Office of Information Technology (IT) at Eastern is in fact ONE TEAM with three distinctive service functions: University Systems, Information Security, and Technology Operations. IT provides central support for the university's computing and telecommunications needs. The IT unit provides computer support for students, faculty members, and officials. There are 8 modern computer labs with high speed internet facility. The entire campus is under Wi-Fi coverage and CCTV surveillance. IT Team is in charge of looking after these facilities.

The IT unit developed a 'University Automation System' with unique proprietary features and matched to the needs of different functional units of the university. Student Admission Information, Student Profiles, Student Advising, Course Planning, Routine Scheduling, Course Management, Payment Management, Financial Management, Records Keeping, Results and Grades Management, Inter-Departmental Report Sharing, and generating different kinds of report and statistics are some of the numerous features of this robust Automation System. The system also allows to instantly interact with students vide postings in the students web panel which is a very effective way of disseminating important information like notices, class and exam schedules, advising, teacher evaluation, result publication etc.

The IT Team has very recently introduced online payment facilities for students in collaboration with one of the top syndicate e-payment provider in the country. Students can pay their tuition and other fees from any corner of the globe without taking the hassle for standing in long queues.

In short, the IT Section maintains an international standard as is expected from a university.

Procurement and Logistics Department

Procurement, Store, and Logistics Department plays a pivotal role in providing supplies and support services for the accomplishment of academic and administrative functions. Assessment of needs and acquisition of proper materials and services at optimum prices in order to meet the needs at the right time is the core objective of the department.

The Procurement and Logistics Department performs functions of procurement, inventory management, and supplying. Besides, management of office space, completion of constructions, repair and maintenance, safeguarding and security of the university property, ensuring cleanliness, arranging and scheduling transportation, and courier management, providing all types of logistic support during the major events of the university are accomplished by the department through maintaining the organizational ability and by saving costs as much as possible. The workforce of the department is also committed to ensuring smooth operation of mechanical and energy driven equipments and non-disrupted utility services.

A highly experienced engineer with foreign exposure looks after the overall operation, maintenance, and management of the electro-mechanical devices and equipments. The IT team promptly responds to any electro-mechanical problem reported from any part of the university with the aim to provide solution at the least possible time.

Permanent Campus Project

The Project Director of the Permanent Campus Construction Project is tasked with the overall technical and managerial supervision of the construction of the Permanent Campus of Eastern University. There is a high powered committee to provide policy guidelines and for the supervision of the progress of the Permanent Campus of Eastern University at Ashulia, Savar. The Registrar's Office also looks after and monitors the construction of the Permanent Campus as directed by the higher authority.

EU Permanent Campus (Under Construction)

Admission Office

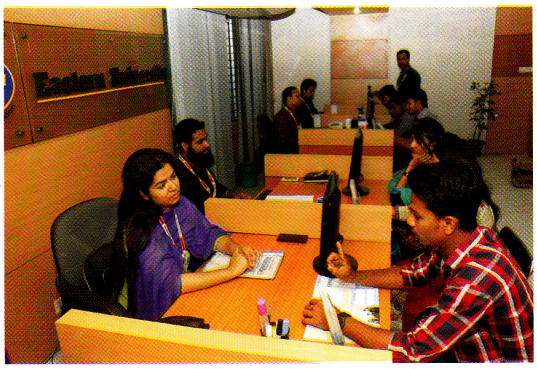

The goal of Eastern University is to produce future leaders with knowledge and skills essential for leadership in the country's private and public sector enterprises in the increasingly competitive and globalized environment. The University is committed to prepare its students as professionals by exploring and promoting their creativity, infusing knowledge and developing their skills. Admission office plays an important role in fulfilling this goal by recruiting and selecting the right kind of students. It is the first access point for the students. The office provides information about the university, admission procedure and deadlines. The trained counselors of the office provide guidance to the prospective students in selecting the right academic program, financial advice and accommodation and living tips. The counselors and other office staff are very friendly and helpful. For the convenience of the prospective students, the Admission Office remains open on weekdays as well as on weekly and other holidays.

Admission Procedure and schedule:

The entire process of admission goes through a selective procedure. Applicants are screened on the basis of the minimum GPA requirement set by the University Grants Commission. Qualified candidates are invited to sit for the admission test after submitting their admission form. Admission test is a highly competitive one and the applicants require satisfactory marks in the test in order to secure their seats. The application deadline and date of the admission test are announced in major national dailies and on the website of EU. The admission procedure for Spring begins in the first week of November and ends with the commencement of classes in January while the admission procedure for Summer starts in March and ends with the commencement of classes in May. Similarly the Admission procedure for Fall starts in July and ends with the commencement of classes in September.

The tuition fee waiver for muktijoddha quota is 100%. Special waivers are available for siblings and spouse. There is also a students' loan scheme.

Office of Student Affairs (OSA)

The Office of Student Affairs (OSA) is committed to facilitating the growth, development and achievement of students at Eastern University (EU). OSA works closely with the administration, students and external groups to support the students to be successful and effective leaders in the emerging global community. The mission of the OSA is to promote student learning, life skills, and personal growth by providing the best and most innovative programs, facilities and services. The OSA envisions a healthy culture of learning, reflecting the profound opportunities available for students and directed to their academic and personal well-being.

OSA of EU values the following:
OSA values respecting individual dignity, reaching peak point of their career development and the growth of self-actualization. It is not just about teaching students to be good for their academic success rather nurturing them to be their best. OSA prepares EU students for the leadership role which is accomplished through effectiveness of its programs and services and using reliable information to support responsible decision-making. OSA provides opportunities to develop the leadership competencies that allow students to create meaningful and sustainable change in the society.

OSA's strong community partnerships and deep involvements actively engage students in different activities and promote social justice and civic engagement. It offers a safe, open and welcoming community that nurtures healthy personal development and a sense of belongingness in the community. OSA values charting the way towards excellence for all through promoting diversity in culture, equity in education and being respectful, honest and ethical.

Core Philosophy
The members of the OSA are dedicated to creating a developmental as well as experiential co-curricular campus environment that not only challenges but also supports the EU students. OSA is committed to the success and balance of the student community by empowering them to develop the necessary skills required to make sensible decisions about their lives and to become life-long learners. OSA implements this philosophy through proper etiquette and encouragement and values individuality, creativity, diversity, integrity, and inspires intellectual curiosity. OSA believes that student development is fostered by action as well as reflection on the action taken, which are based not only on the generation of strong leadership skills but also on the acquisition of knowledge.

Clubs/Forums:

Engineering Club: Engineering Club at EU is a student platform to work together designing innovative projects, participating in different competitions with new inventions and collaborating with engineering organizations and/ or universities. These introduce students to the role of engineering in the community and the careers available to them.

Computing Club: The objective of EU Computing Club is to encourage students to engage in computer programming for national, regional & international contests. The club also organizes computing contests on a regular basis.

Debating Club: EU Debating Club participates in a variety of debate programs on campus and throughout the country. It also brings debate to the campus and to the greater student community by sponsoring public debates on various issues. The Debating Club provides an opportunity to stimulate students' critical thinking as well as analytical and creative abilities. Listening to and accepting other opinions are deemed necessary for students' professional development.

Earth Care Club: EU Earth Care Club is a platform to raise awareness among students about environmental issues. It organizes different programs to make the students conscious about climate change, green technology, carbon emissions, environmental pollution, waste management, saving the nature and tree plantation.

Games & Sports Club: Games & Sports Club at EU is a student-run organization that started its journey to unleash and nurture talents and physical growth of students. The club provides a platform for the students to participate in different sports and seeks to bring the best out of them.

Language Club: EU Language Club helps its students through creating facilities to improve communication skills in English, nurturing a sense of leadership, team spirit, cooperation and voluntary services among the students which will help them better perform in their future careers. These assist in cultivating a sense of social and ethical responsibilities as well as in building a better image of the university.

Business & Social Entrepreneurship Club: EU Business & Social Entrepreneurship club is the most active club of the university with the goal to offer a sophisticated and vibrant nexus for students, organizations and businesses of all kinds to meet, share ideas and discuss the issues of the day.

Cultural Club: EU Cultural Club promotes traditional as well as modern cultural activities to the students of the University. It works to provide a platform for the talented artists, musicians, singers, dancers, hosts, graphic designers etc. Students can actualize their visions through different kinds of performances.

Drama & Theatre Forum: The Drama & Theatre Forum aims to explore real scenarios in a way that empowers EU students to rehearse solutions and change the outcome of a scenario for the better. The club approaches performance both as an object and method of theatre.

Journalist Forum: The Journalist Forum at EU is a network of interested students with a view to fostering critical thinking about media journalism, encouraging ethics in journalism and developing skills for dynamic journalism and media professions.

Social Welfare Club: With the slogan "Serve beyond the boundary," the Social Welfare Club is working relentlessly to foster and develop self reliance and efficiency of the students. It is one of the prominent clubs of EU which paves the way for the students to engage themselves in the social welfare activities. Members regularly participate in winter clothing distribution, sharing Eid with street children, donating Eid clothing to orphans and in similar welfare activities.

Institutional Quality Assurance Centre (IQAC)

Introduction

As per provision of article 36 of the Private University Act 2010, Eastern University has an Institutional Quality Assurance Cell (IQAC). Since quality enhancement is a continuous process, the prime task of the IQAC is to develop a system for consistent improvement in the performance of the University towards academic excellence.

Major Objectives of the IQAC

- Promoting QA culture within the universities.
- Institutionalizing the QA practices.
- Build image of the university with confidence of the stakeholders transparency, accountability, and good practices in all aspects of management; and
- Prepare the university to meet the external quality assurance and accreditation requirements.

Major Functions of the IQAC

- Facilitate to define the mission and objectives of the University;
- Facilitate self-assessment;
- Develop standards and benchmarks;
- Review existing procedures;
- Provide necessary supports to conduct the self-assessment, external peer review;
- Develop a data base deliverable to all stakeholders;
- Developing Institutional QA Strategic Plan;
- Co-ordinate all QA related activities;
- Organize workshops, seminars and appropriate training for capacity building.

The Quality Assurance Committee

A Quality Assurance Committee consisting of the following members formulates policies, and guides and oversees the administration of the IQAC.

Prof. Dr. Abdur Rab, Vice Chancellor, Chairman
Prof. Dr. Abdul Hannan Chowdhury, Pro Vice Chancellor
Treasurer of the University
Prof. Dr. AKM Saiful Majid, Member- Board of Trustees
Assoc. Prof. Dr. A K M Alamgir, Director-in-Charge of IQAC
Deans of all Faculties
Mr. Ismail Zabiullah, Member, Board of Trustees (appointed by the Syndicate)
Prof. Dr. Md. Anwar Hosssain, Dept. of Microbiology, DU (appointed by the Syndicate)
Mr. Abul Basher Khan , Registrar

Composition & Organogram

The Director is responsible for the achievement of the objectives of IQAC and is accountable to the Vice Chancellor, the Chairman of the IQAC. The functions of the IQAC are carried out by the following officials:

Assoc. Prof. Dr. A K M Alamgir –Director –in-Charge
Ms. Mahfuza Akhter – Administrative Officer
Mr. Mehtab Alam - Accounts & Finance Officer
Mr. Md. Javed Khan - Support Staff/Messenger

The Cell has initiated its function from July, 2015 with the fund provided by HEQEP and Eastern University itself. The main function IQAC has been conducting focuses on training, seminar, workshop and survey regarding governance, curriculum, student progress and achievement, physical facilities, teaching-learning, student support, staff and facilities, research and extension, process management and continuous improvement of the overall quality of the university.

Faculty & Staff Development Centre (FSDC)
The mission of the Faculty & Staff Development Centre (FSDC) is to help the faculty members or university staff in their career development efforts by capacity building, skill improvement and positive attitude formation. The Centre caters to career building needs of both faculty members and administrative staff. It offers two programs - one is the Faculty Development Program (FDP) and the other is the Staff Development Program (SDP).

Faculty Development Program (FDP)
The explosion of knowledge, innovation and technology in all fields of learning have posed the new generation learners a challenge – a challenge of how, in a shorter time, to acquire the vast knowledge, analyze, assimilate and then apply to find solutions of the problems in their life and work setting. Helping the students coming with heterogeneous background, different goals, divergent interests and varying intellectual capabilities is not an easy job for university teachers. The FDP aims at equipping faculty members with principles, tools and techniques of teaching-learning relevant to new generation students. The training methods used are participative, interactive, learner-centered and hands-on practice.

The quality of teachers is the most important decisive factor for a student in choosing an institution for higher education. Teachers face continuous challenges in ensuring quality of teaching especially due to emergence of new millennium students, advancement of information and communication technology, globalization, diversity and variance of demands and capacity of students. The aims of the FDP is to orient, guide, train, coach and mentor the faculty members for better understanding of academic and administrative system, policies and practices of Eastern University (EU), and for better classroom performance of global standard. The FDP includes two modules. The aim of Module 1 is to orient the faculty members on existing academic and administrative system, policies and practice of the University while Module 2 is a 3day long workshop on teaching-learning methods for the new millennial students.

Apart from the above, the FDP offers a variety of workshops/seminars on teaching-learning related topics like Research Methodology, Online Teaching & Learning, Pedagogy, Students' Performance Evaluation, Creative Question Setting, Examination of Answer Scripts and Grading, Teaching by Case Methods, Academic Leadership, Quality Assurance, Experimentation& Innovation in Teaching-Learning etc.

Staff Development Program (SDP)

Self-motivated, professional staff team is essential to support the academic team and the student body of an institution in its development. The aim of the SDP is to enhance the professional and personal development of EU staff. These learning opportunities are designed to maximize the staff's understanding of EU administrative practices and procedures, work environment, values and ethics etc. for better service and professional growth.

A series of workshops like Knowing about EU, Administrative System, Relationship Development, Communication Skills, Time and Stress Management, Effective Selling Skills are offered under this program. Workshops usually take place on weekday morning and afternoon for two to three hours. All University staff are invited to participate in such workshops. Staff are also patronized by EU in participating in relevant professional training/skill development program outside the University which will increase his/her skills.

Office of the Finance and Accounts

The mission of the Department of Finance and Accounting is to provide cost effective administration and efficient accounting and financial accounting and management services to the Board of trustees of the Eastern University.

The Department renders support and service to the line functions within the Eastern University with the following key performance areas:

- Prepare and issue the Eastern University annual audited financial statements
- Submit the audited report in UGC, Ministry of Education, RJSC and NBR
- Ensure the compliance of regulatory body and government rules.
- Preparation of a report on financial analysis to keep the operation costs at controlling level.
- Preparation and evaluation of monthly management accounts
- Ensure compliance to applicable statutes, regulations and international financial reporting standards
- Develop and maintain effective systems of financial accounting control on costs and services.
- Develop and maintain efficient management information systems
- Provide sound advice on the financial and tax implications of business decisions
- Preparation and monitoring of annual budgets and forecasts
- Develop and ensure adherence to financial and accounting policies and procedures
- Treasury and cash management
- Manage and administer the insurance portfolio of the Eastern University
- Manage and co-ordinate decentralized accounting departments.
- Arrange Training and Development program for the officers of the department.
- Prepare required strategic financial plan as per the requirement of University.

Eastern University endeavors to provide the best education to its students at affordable tuition fees. One of the major goals of the founders of Eastern University was to open opportunities of education and research to the relatively lower income and lower middle income groups of students in our country. In view of the above commitment, Eastern University offers financial assistance to meritorious and needy students regularly in the form of the following schemes:

Psycho-Social Counselling Services (PSCS)

Now it's your time to become happier and move forward with your life...

University life is the incredible, creative, productive and exciting time of one's life. However, many students face academic, physical, emotional, situational and/or interpersonal concerns during this time which can affect their personal and professional life. With Psycho-Social Counselling support students can learn to manage and cope with their personal and academic crises and become more realistic in finding alternative ways of dealing with challenges.

Realizing the importance of mental health support in students' life, Eastern University established Psycho-Social Counselling Services in May, 2013. The counselling services are conducted by a professional counsellor , supported by external consultants and under the supervision of the Vice Chancellor and the Registrar of the Eastern University.

Counselling is a therapeutic relationship between a client and a professional psychologist to understand the underlying causes of client problems and offer solution maintaining humanistic right of the client.

The mission of the university counselling service is to offer high quality psychological services that enhance personal, academic and professional growth and alleviate psychological distress or dysfunction.

Commitment:

- Maintain confidentiality
- Maintain human rights and equality
- Promote respect for individual
- Follow ethical guideline
- Provide empathy and support
- Ensure access and equity

SERVICES

Counseling Services: The counselling office offers individual, pair, parental and group counselling according to the need of the counselee. The professional counsellor helps the counselee to identify the causes and patterns of thinking, feeling and behaving which have created his/her difficulties. It helps the counselee explore the conscious and unconscious motivations behind unwanted feelings and behaviors.

Workshops, Seminars & Trainings: The office conducts a variety of workshops, seminars and training programs on mental health issues for students and staff of the university. These workshops, seminars and trainings help participants learn positive managing techniques in solving problems. Counselling Service arranges and facilitates workshops on different psychological issues such as

- Social Communication Skills
- Anger Management
- Stress Management
- Exam Anxiety
- Psychological Self Defense against Sexual Assault
- Relaxation & Meditation
- Acceptance
- Self Confidence
- Pleasant Personality

Other Activities: The psycho-social counseling service also works in close collaboration with other offices and programs of the university.

HIGHLIGHTS

From May 2013 to December 2016, counselling office provided the following services:

•Conducted about 3000 counselling sessions on different psychological issues such as depression, anxiety, concentration problem, self esteem issues, relationship issues, social communication problems, mental disorder etc. About 500 counselee took these sessions; among them about 35 were faculty members and administrative officers.
•Facilitated 62 workshops and seminars on social communication skills, exam phobia, anger management, improving studying skills, relaxation and meditation etc.
•Conducted 100 orientation classes developing awareness of the importance of mental health.

Office of the Controller of Examinations

Office of the Controller of Examinations (OCE) is motivated by its fundamental objective-preserving, refining, and transmitting knowledge for awarding degree as per policy of the university. The office provides services to the students and guardians through written documents, telephone, e-mail, and also in person in all exam related affairs.

Office of the Controller of Examinations (OCE) maintains its activities and services through justice, security and services where evaluation, confidentiality and accountability are the prime concerns.

Office of the Controller of Examinations (OCE) is providing the following services-

Office of the Public Relations

Eastern University (EU) PR office communicates with the target audience directly and indirectly through media with an aim to create and maintain a positive image and create a strong relationship with the stakeholders. The office uses a number of tools and techniques to boost EU's public image and help them form a meaningful relationship with the target audience. To achieve these, the office uses various tools like news releases and statements for media, features, advertisement, newsletter, publications, organization and participation at public events conferences, conventions, providing continuous feed-back on the content of EU website, compilation of newspaper clippings and TV footage of news, orga-nize and assist in organizing different programs of EU at local and national levels etc.

In order to make different campaigns of the university more meaningful and effective, the PR Office follows a six-step PR plan:

- Identification of objectives of EU and different programs/campaigns of EU
- Defining goals in achieving the objectives, both organizational and program oriented
- Identifying the target audience
- Developing a schedule for PR campaigns
- Developing plan of action: determining the communication vehicles to use to get the message to the stakeholders and to the public at large
- Track, monitor, and review the results of PR campaigns i.e. the impact of campaigns in the media and the stakeholders. Reviewing the results include redefining/modifying the course of action to be taken for even better/effective reach and impact.

EU LIBRARY

Library

Eastern University has a fully automated and web-based digital Library which was developed by KOHA Integrated Library System, DSpace Institutional Repository software, and Drupal CMS. Online Public Access Catalogue (OPAC) service is available at EU Library through opac.easternuni.edu.bd. The users can also check their borrowing status, renew issued resources and can reserve books through OPAC. It also provides auto email alert services. The Digital Institutional Repository includes e-books, journals, newsletters, theses, internship reports, images, news clippings, audio, video, EU publications and external publications of EU family. To explore the institutional repository please visit dspace.easternuni.edu.bd. The EU Digital Institutional Repository is registered with two internationally recognized open access directories like the Directory of Open Access Repositories (OpenDOAR) and the Registry of Open Access Repositories (ROAR).

Currently, the library has about 15,800 books of 5,152 titles and 815 audio-visual materials. Access and download facilities of 35,000 online journals and 15,000 eBooks are available through 52 databases published by various internationally reputed publishers. The Library provides remote access facility for subscribed e-resources through MyAthens. To avoid academic misconduct and confirm the originality of research work, the library subscribes Turnitin plagiarism checker. Besides, Zotero citation and reference management tool is also available here that helps researchers to collect, organize, cite, and share research sources. It also subscribes a good number of local & foreign daily newspapers and magazines; more than hundred national and international printed research journals and reports. Apart from the EU computer lab, there is an internet browsing corner inside the library to provide internet services through the Wi-Fi technology. The Library remains open seven days in a week from 9:00 am to 9:00 pm. The library arranges library literacy program among the students, faculty and staff members to demonstrate how to use the university library systems and services effectively. In order to ensure the security of its resources, closed-circuit TV camera network operates round the clock. The URL of the Library Website is: library.easternuni.edu.bd.

Convocation Marshal:

Mr. Abul Basher Khan	Registrar, Eastern University

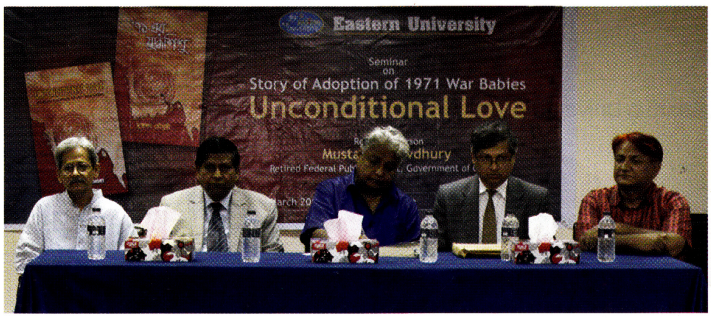

Faculty of Arts

Eastern University started in Summer 2003 with four Faculties. Faculty of Arts is one of them. It began its journey with M.A. ELT (English Language Teaching) program, and one semester later B.A. (Hons.) in English was added. There are now three programs in the Faculty: a four year B.A. (Hons.) in English, a one-year M.A. ELL (English Language and Literature) and an M. A. ELT which offers a one-year M.A. ELT and a two-year M.A. ELT.

A well earned degree in English can open up innumerable job opportunities at home and abroad. English is an international language and there is a great demand for competent users of the language. Graduates in English get preference in jobs ranging from teaching to media, banks, multinational companies etc. English graduates do quite well in the BCS Examinations and find it easier to pursue higher studies in other disciplines like MBA, Film and Media, Journalism, Gender and Cultural Studies; any of which combination is highly on demand for top corporate, NGO and media jobs.

The English Program at Eastern follows a need-based multi curricular approach combining well-balanced language and literature courses in order to cater to the job requirements of its graduates. Besides, the foundation language courses at the undergraduate level are module-based, providing an intensive teaching-learning class environment. The Department has an English Language Club and a Creative Writers' Forum that conduct extra- curricular activities such as poetry writing and recitation, debate, drama, vocabulary/spelling contests to inspire and develop learners' capacity to use English effectively and to appreciate literature more intimately.

Faculty of Arts has as its Dean Professor Kashinath Roy, who has taught English at Dhaka University for about four decades, and has its advisor Professor Iffat Ara Nasreen Majid, who is currently the director of the Institute of Modern languages (IML), University of Dhaka. There are 20 highly qualified and highly motivated full-time teachers some of whom have degrees and training from abroad. In addition, some very senior and nationally renowned academics from Dhaka University and Jahangirnagar University are present as adjunct faculty. One very positive aspect of the Department is that it holds discussion sessions on both English and Bangla literature and language by the renowned litterateurs and linguists of the country on a regular basis. The Department of English is a home of some very promising and emerging bi-lingual poets and writers of the country who enthuse and train the students to practice creative writings and take to performing arts.

Faculty of Business Administration

Eastern University is one of the leading institutions among the private universities reputed for providing business education of the highest quality to the students and practitioners. At Eastern University, students find a great blend of theoretical knowledge with practical knowledge, become equipped with the tools and techniques and get ready to contribute to the success of their employers right from the beginning. It is not surprising, therefore, that one will find Eastern University business graduates in leading and senior positions of major business organizations in the country.

In 2015, in order to prepare for our expanding enrolment of BBA, MBA and Executive MBA students we have taken steps to raise our faculty strength in number and also to recruit high quality faculty members with doctorate degrees from the developed countries, particularly, USA, Canada, UK, Western Europe and Australia. Students become proficient in using advanced technology and many of the classes utilize case studies extensively. Students appreciate that learning is not just about theory, it needs to be applied in the real world and they do get applied in the real world.

The Faculty of Business Administration serves approximately 2,000 students now with 39 full-time faculty members led by the Pro Vice Chancellor and Dean (in-charge), Prof. Dr. Abdul Hannan Chowdhury. The faculty members certainly have the highest qualification among all the business faculties of the private universities in Bangladesh. There are nine full time faculty members with doctorate degrees from different universities of the world along with eight full time professors, three associate professors, 15 assistant professors, and the rest ones are senior lecturers and lecturers who are outstanding graduates of top public and private universities or hold Master's degrees from reputed foreign universities.

To facilitate the teaching and learning of the students, the Faculty of Business Administration has air conditioned class rooms with multimedia projectors and audio visual facilities. To address the needs of the students, the Faculty provides fully equipped computer labs with internet facility, a modern digital library with good number of books, journals and digital resources, photocopy services, modern cafeteria, common room and prayer room for the female students, auditorium, a fulltime doctor with adequate medical facilities, and sufficient premises for academic and co-curricular activities of the students. Corporate leaders and renowned personalities often visit the campus to share their experience and wisdom with the students.

The campus is vibrant with activities. There are many opportunities for getting involved in extra-curricular activities at Eastern University. The instructors may be demanding, yet are very friendly and helpful and so are all the supporting staff. When you need help, there will be help for you.

Faculty of Engineering & Technology

The faculty of Engineering and Technology (E & T) is a large faculty of Eastern University in terms of the number of faculty members and students. The total number of faculty members is 32 full time and about 10 part time teachers from renowned universities of Bangladesh. Some of them have Ph. D. and M.Sc. degrees from home and abroad. The faculty of E & T was established to impart international standard education at affordable cost. At the moment, it has two departments: Department of Computer Science and Engineering (CSE) and Department of Electrical and Electronic Engineering (EEE).
At present, Prof. Dr. Md. Nurul Islam is the Dean of this faculty.

Department of Computer Science and Engineering:
The Department of Computer Science and Engineering (CSE) offers a program leading to the degree of B.Sc. in Computer Science and Engineering (B.Sc. in CSE). The duration of B.Sc. in CSE is four years and is divided into 12 semesters. To obtain a B.Sc. in CSE, students need to complete 150 credit hours with a minimum CGPA of 2.50. Our main task is to prepare students for careers in software and hardware industries or to pursue advanced graduate studies at home or abroad. Also a part of our mission is to ensure a comprehensive and client-oriented teaching environment that emphasizes depth, originality and critical thinking of computer science and related professional values. Furthermore, the department is dedicated to ensure a spirited, congenial and inclusive environment where students, faculty and staff can flourish.
The Department offers the B.Sc. program for both day and evening sections. The day section is for the students who passed HSC or A Level and the evening section is for students possessing diploma in the relevant engineering field. This department is equipped with advanced software and hardware laboratories.

Prof. Dr. Md. Mahfuzur Rahman is leading the Department as the Chairperson.

Department of Electrical and Electronic Engineering:
The Department of Electrical and Electronic Engineering (EEE) offers a program leading to the degree of B.Sc. in Electrical and Electronic Engineering. The total credit hours for the completion of this program are 149 which are covered in 12 semesters over the duration of 4 years. Our aim is to enable our students to implement their acquired knowledge successfully in the present working environment in Bangladesh and abroad. We train our students to become future leaders of the growing industrial technology and academic fields. The department has three major areas of specialization - Power, Electronics and Communication. To meet the current global standards, the department is equipped with state-of-the-art laboratory facilities. The curriculum is designed to meet the requirement of advanced technology and our faculty members are well trained and dedicated to serve this purpose.

The Department offers only day program. The minimum admission criterion is HSC or its equivalent. Only science background students can apply for admission.

Prof. Dr. Mirza Golam Rabbani is leading the department as the Chairperson.

Faculty of Law

The Faculty of Law of Eastern university is one of the premier law schools of the country that has always attracted the best legal minds both academically and ideologically, thereby creating an inspirational exchange centre of ideas. Particularly, the Faculty of Law is known by its outstanding teaching staff most of whom have graduated from the best law schools of Bangladesh and abroad. They are socially involved, professionally active, competent and caring mentors.

Our faculty offers legal education which is a combination of both theory and practice. The goal is to equip graduates with a solid education in the fundamentals of the law and a sound understanding of its place in our society. EU's law curriculum reflects the changing requirement of the legal profession. Students are given extensive training on various forms of Legal Drafting and Trial Advocacy in the "Mock Court Room". Students graduating from the Faculty have shown excellent passing rate in the Bar Council Examination and Judicial Service Commission Examinations. Alumni of the Faculty of Law include judges, practicing lawyers in the District Court and the High Court, lecturers in various universities and job holders in various organizations.

The Faculty enjoys world class computer labs and libraries rich with various text books and journals from around the world. Membership of the University in various on-line journals enables the students to reap their benefit and allows them to endeavor to learn the subject of their choosing. Through regular public lectures, seminars and workshops etc. attempts at refining the academic research and learning about the newest doctrines are constant.

Situated at the heart of Dhanmondi, our campus provides a vibrant environment for the students to grow and evolve. The Faculty has always been very active in the Sports Club and the Social Welfare Club of the University. Eastern University Moot Court Society, exclusive to the Faculty of Law, has already made its mark by winning the Best Memorial Award in Henry Dunant Moot Court Competition, 2011. It also participated in the Price Media Moot Court Competition held in Delhi in 2012 & EU Mooting Team wins in PHILIP C. JESSUP INTERNATIONAL LAW MOOT COURT COMPETITION, 2017 (BANGLADESH NATIONAL ROUND) for qualifying in the International Round to be held in Washington DC, United States of America.
