Preface

This report contains a detailed description of the work I did and the experience I gained during my internship as a sub-editor at Iconicfocus24.com. Iconic is an online portal whose editor is Ahmed Istiaque Himel. Here I have done various types of feature news every week along with news. Various pictures taken by me have been uploaded here, some of which have received a lot of response on social media. In this book, I have highlighted my entire 12-week activities.

Here is a description of my responsibilities, routine, supervisors, how I worked using the tools. In this report, I have included details of myself, the company I interned for, and the work.

It is true that what I have learned in academic studies can be measured by serving a company, which is what I did and it has increased my confidence. I feel that I am now ready to work in any company.

CHAPTER ONE

Introduction

1.1 About internship:

After academic studies, internship gives us the opportunity to gain practical knowledge under the supervision of teachers. This internship works as a bridge between studies and jobs. As a result of internship, we do not have to get used to anything new after joining the job because we get familiar with this environment. After theoretical studies, practical activities make us more skilled and competent so that we gain confidence.

1.2 Internship and its importance:

Internship is a path that helps us reach the peak of our career. I took it with utmost importance because I know that by doing this, I have overcome my fear and I am quite happy to solve new problems and issues. In the professional field, there is often no opportunity to make mistakes, but if I make a mistake, I get support to correct it.

Here I got acquainted with new tools and innovations in their use. I learned to adapt to the work environment. How to deal with colleagues and other employees and how to use them can be easily achieved from internship.

1.3 Duration of my internship:

I was fascinated by journalism and decided to do my graduation in this subject and so I interned in a news portal. I want to establish myself as a journalist in the future and in continuation of that I have taken news editing, news writing and its direct concept from here.

I joined here as an intern for 3 months and completed it. Total 12 weeks.

1.4 Overseeing me at Iconic Focus 24

During my internship, I was directly supervised by the news editor Nasib Imtiaz Chowdhury himself. He is undoubtedly a qualified and good person. Even though I made mistakes repeatedly, he explained it to me in an easy way. I gained first-hand knowledge about news articles from him, he conducted several sessions on this topic. I will be able to apply what I have learned from the editor and the iconic focus in my future professional life.

3.3 Work experience during internship:

During my internship at Iconic Focus 24, I got to learn different subjects in different ways. The opportunity I got to gain real-world experience here was truly invaluable to me. Since I wanted to be a journalist, I tried to be honest in my work. I worked in the office every day from morning to evening.

There were some challenges in entering professional life after completing my university life, one of which was time management, deciding on outfits, sitting and working with everyone, etc. Although I have done well in all these. I believe that this achievement of mine will have a huge impact on the rest of my career.

Many times I had to move to different places, have meetings and take interviews. The experience of taking interviews was also great. Although I made mistakes in the beginning, I later corrected myself. I am confident that the experience I gained during my internship will be of great use to me in the rest of my life.

I was actually scared of a professional career or a corporate job. I was worried about the job environment and my colleagues and bosses. At Iconic Focus, this fear of mine has completely disappeared. My special experience is overcoming these fears and giving presentations. I am really surprised by this experience because I was scared of presentations in my academic life too, although I know that this fear should not exist in journalism. I am also grateful to my supervisor for this special experience because he has given me the opportunity time and again. ব্যালন ডি'অর না পাওয়ার আক্ষেপ ভিনির

অর্থ উপদেষ্টা ড. সালেহউদ্দিন আহমেদ বলেছেন, পদক্ষেপ নেওয়া সত্ত্বেও নিত্যপণ্যের দাম কমছে না। বাজারে এতভাবে বিশৃঙ্খলা সৃষ্টি হয়েছে, মানুষ বলছে দাম কমছে না অথচ এনবিআর অনেক সুবিধা দিয়েছে। ট্যাক্স কমিয়ে দেওয়া হয়েছে তারপরও নিত্যপণ্যের দাম কমে না। মানুষ অধৈর্য হয়ে গেছে- এটাই স্বাভাবিক।

বুধবার (১৩ নভেম্বর) নগরীর পল্লী কর্ম-সহায়ক ফাউন্ডেশন (পিকেএসএফ) আয়োজিত 'পিকেএসএফ দিবস-২০২৪' অনুষ্ঠানে তিনি এ কথা বলেন।

অর্থ উপদেষ্টা বলেন, প্রধান উপদেষ্টাকে বললাম, বাজারে দাম কমানো শুধু বাণিজ্য মন্ত্রণালয়ের কাজ নয়। এখানে অনেক ফ্যাক্ট আছে।
